

Electronic Visit Verification (EVV) Stakeholder Engagement Events Scheduled

IMPORTANT: This letter outlines key stakeholder EVV information.

ACES\$ Financial Management Services is the payroll provider for the following Wyoming Home and Community Based waivers:

- Community Choices Waiver
- Comprehensive Waiver
- Supports Waiver

The Wyoming Department of Health (WDH) and ACES\$ are hosting Electronic Visit Verification (EVV) regional stakeholder events for Case Managers, Participants, Employers and Direct Service Workers involved in the above mentioned programs.

WDH and ACES\$ will review:

- What is EVV?
- How will it affect stakeholders?
- What is the EVV implementation timeline?

ACES\$ will present, demonstrate, and gather feedback regarding our EVV solution and training materials. If you would like to attend an EVV stakeholder event, please see the schedule (attached).

Thank you for your continued participation in self-directed services programs. We look forward to meeting with you to make our EVV implementation smooth!

Please Note: Due to space constraints at each location, please ***pre-register***.
